Pharmacist, of the City of Lowell, who has not only one, but has in his extensive practice:

**D. C. SOUTHWELL, Esq.**, one of the best law practitioners in New England.

**C. C. SOUTHWELL, Esq.**, Surgeon in Charge of the United States Marine Hospital, at Chelsea, Mass.

And space permit, we could give more names of such names, from all parts of where the flu have been used, and evidence as to more cases of it, in the City of Lowell, and in the Commonwealth of Massachusetts, in their effects upon retail.

These Pills, the result of long research and study, are offered to the public, to be used and to complete what the present state of the disease can afford. They are now prepared only of Veratrum tuberosum, extracted by themselves.

Their life depends on their mystery. I have no mysteries.

The composition of my preparations is laid open to all men, and all who are competent to judge on the subject, freely acknowledge their conviction of their intrinsic purity. The Claret Prognosis was pronounced by separate men to be a wonderful medicine before its effects were known. Many eminent Physicians have declared that some of my Pills, and were more confident that they were willing to compare their effects with any other were more than equaled by their effects upon such.

They operated by their powerful influence on the internal viscera to purify the blood and rid it of its deleterious and poisonous qualities.

The stomach, bowels, liver, and other organs are restored their regular action to Bile-Pan, and by correcting whatever they expectant and as means as are the first origin of disease.

Being sugar wrapped they are pleasant to take, and being highly digestible, no harm can arise from their use in any quantity.

For infants & children, use the sugar-wrapped Pills.
